

Contractor Quote Comparison

The gaps cost more than the headline number.

Job _____ Date _____

Three quotes are rarely for the same work. Put them side by side line by line and the cheapest one usually turns out to be the one that left something out.

ASK EVERY ONE OF THEM THE SAME QUESTIONS

- ☐ Is the price fixed, or an estimate that can move? Get which one in writing.
- ☐ Who supplies materials — and if they do, are you paying their markup?
- ☐ Is disposal included, or will a skip appear on the final bill?
- ☐ What happens to the price if they find something behind the wall?
- ☐ Payment schedule: how much up front, and what triggers each stage?
